Using iPod nano Menus

When you turn on iPod nano, you see the main menu. Choose menu items to perform functions or go to other menus. Icons along the top of the screen show iPod nano status.

Display name	Function
Music file	Display the title of the current menu. The menu title doesn't appear when the lock icon appears.
Redirection icon	Appears when the redirection is on.
Play icon	The Play icon appears when a song, video, or other item is playing. The Pause icon appears when the item is paused.
Battery icon	The Battery icon shows the approximate remaining battery charge.
Lock icon	The lock icon appears when the hold switch is set to HOLD. The lock icon flashes that iPod nano controls are disabled. When the lock icon appears, it replaces the menu title.
Menu items	Use the Click Wheel to scroll through menu items. Press the Center button to choose an item. An arrow next to a menu item indicates that it has been selected.
Review panel	Displays album art, photos, and other information relating to the menu item selected.
